Online Zoom Meeting - *link & agenda on website*

To attend, click the Zoom link posted on southjubilee.ca under “Next Board Meeting”, or on Facebook, and also in our email newsletter.

Call for Board Members:

Our AGM is coming up and we will be electing a new board! We need new members and volunteers, so please attend if you’re interested in contributing to your community!

SJNA has a number of open positions for the next term, which begins in June. Openings for President, Secretary, Director at Large and more need to be filled. We also need more help for our various committees and there’s work to do on a number of initiatives that we haven’t had the people-power for yet (traffic, public art, etc).

If you live in South Jubilee (there are over 6000 residents in North and South Jubilee!) we need your help! Please consider joining our collaborative, friendly team. You may email the board in advance to express your interest (board@southjubilee.ca) or simply participate in the upcoming meeting. Our neighbourhood association gets stronger with your involvement!

Redfern Commons Project Update

We are grateful for time, expertise and funds from our many volunteers and project supporters: City of Victoria, Greenspace Designs, the Jawl Family, CSL, GD Mann and Gräscale Developments (GDI), and The Good City Project (learn more on the website: thegoodcityproject.ca).

We recently received a City of Victoria, My Great Neighbourhood Grant for funds towards our games tables - thank you, CoV! More thanks to John, Jake, Ryan at Gräscale Developments (GDI) who are donating a huge amount of time to help us finalize our plans to start construction of our green roof pergola.

Thank you to Aryze Developments for their very generous donation to help finish this pergola and entryway arbor. As a company, Aryze believes in a thoughtful approach to the built environment, promoting thriving, resilient communities and enriched natural environments for current and future generations. This donation is made possible by a voluntary amenity contribution from Aryze's purpose-built rental development at 1693 Fort Street.

We have a date for **ParkFest - Sunday, August 20!** For our last ParkFest in 2021, we had over 50 wonderful volunteers of all ages, from students to seniors. Please email engage@southjubilee.ca to connect with us about how you can help organize the event, or help on the day of the event.

We are so excited to put on this event for our community, and we need your help to do it!

"Meet Your Neighbours"

Get to know fellow South Jubileers!

SJNA wants to know: Are you interested in learning more about your neighbours via our newsletter and social media? Curious about who lives in South Jubilee if you're new to the neighbourhood? Do you have someone in mind deserving of recognize for their hard work and accomplishments?

We invite you to nominate someone or submit a little 'About You' questionnaire (to be posted on our website soon). We will reserve space in each newsletter to regularly spotlight a South Jubilee resident or highlight an act of kindness that makes this neighbourhood so special.

Please email engage@southjubilee.ca or visit our website to submit a blurb about you or to nominate a neighbour.

Land Use Committee Update

Dear neighbours,

The 6 storey 35 rental unit project by Aryze at 1693 Fort received final approval on April 13th. The other active projects are still at the pre-public hearing stage. You can keep track of them if visit Development Tracker on the City of Victoria website.

Empresa Developments will be doing a very brief, pre-CALUC presentation at our AGM on June 6th regarding their ideas for development of the long-time empty Turner building on the northwest corner of Fort and Richmond. This is North Jubilee LUC territory but Empresa wanted to include South Jubilee since Fort is a shared boundary. There is an information meeting on June 27th at 7pm at Begbie Hall (Woodward Room) with NJNA and the City's Department of Transportation local area plans. South Jubilee is invited to attend.

Neighbourhood Yard Sale: June 4

Hi Jubilee neighbours! My husband Michael and I are organizing a neighbourhood yard sale at **1748 Lee Avenue on June 4th from 9am to about 1pm.**

We have recently moved to the area and have a house half full of things we don't need, and thought some neighbouring homes might have the same problem. We would love for more families on Lee Avenue/Davie Street to join in. If you are interested, send me a message so I can get a sense for how many households will participate. Please also let me know if you'd be willing to help put up flyers/signage around the area in advance. Visit the Facebook event for more details: <https://fb.me/e/2KAHhB2ak>
