Welcoming Our New Treasurer

The South Jubilee Neighbourhood Association is pleased to welcome Charlotte G. as our new Treasurer. In this role, Charlotte will oversee the association's finances, prepare reports, and support the smooth operation of our community initiatives. We are grateful for her commitment and expertise that she brings to the Board.

Redfern 20 Parkfest 25

On August 17, our community gathered in the park for another year of Redfern Parkest, welcoming more than 1,000 attendees throughout the day. We received feedback that guests enjoyed live music, the free barbecue provided by Little Piggy Catering, family-friendly activities, and the opportunity to connect with neighbours.

The event's success was made possible thanks to the dedication of our outstanding volunteers and the generous support of our donors. Their contributions ensured a well-organized, welcoming, and memorable celebration for all who attended. We are grateful to everyone who participated and helped make Parkfest a highlight of the summer. **We look forward to hosting Parkfest 2026 on Sunday, August 16.**

Get Growing, Victoria! Soil-Building Materials Distribution

Another successful year of the Get Growing seedling distribution. Vegetable seedlings, all grown in the City greenhouses and are delivered to South Jubilee.

For our two events in May and August, hundreds of our neighbours and other residents have benefitted. This important initiative by the City could not be possible without all the hard working volunteers. They deserve a huge vote of thanks.

The compost, bark and leaf mulch distribution is coming up on:

Friday, September 19

3pm at Bank St. School parking lot

Please bring your own buckets or wheelbarrows.

Please email engage@southjubilee.ca if you are interested in volunteering for the upcoming soil-building materials distribution.

Happy Gardening!
